

## 1. Regional EMEA Standard Colour Portfolio

Corian® Solid Surface makes every interior space and architectural installation more beautiful and performing thanks to its combination of sensorial and technical qualities and its versatility. In commercial and residential environments, Corian® Solid Surface can be used to create unique, fascinating and timeless design statements through numerous applications, including wall cladding, countertops, furniture, lighting fixtures and decorative pieces. Available in a wide variety of chromatic options and patterns, Corian® is used where attractive aesthetics, design flexibility, durability, hygiene and cleanability are high priorities.
